UYL-NA 28th CONVENTION RESOLUTIONS

EDITOR'S NOTE: The following resolutions were formally adopted by the delegates to the 28th Ukrainian Youth League of North America Convention.

We, the delegates of the 28th Annual Convention of the Ukrainian Youth League of North America, gathered in the City of Scranton, Pennsylvania, on this Labor Day week-end in September, 1961, have unanimously passed the following resolutions:

- Whereas, by an Act of the Senate and House of Representatives of the United States of America, and subsequent proclamation of Presidents Eisenhower and Kennedy, the United States has established the Third Week of July as "Capture Nations Week," and thus has officially recognized and written into the law of the land that Ukraine, Armenia, Georgia and other nations in the Soviet Union are enslaved countries conquered by aggressive Russian Communist imperialism; and
- Whereas, it is vital to the national security of the United States, Canada and the free world that the desire for liberty and independence on the part of the peoples of these conquered nations should be steadfastly kept alive; and
- Whereas, House Resolution 211 has been proposed in the House of Representatives by Congressman Daniel J. Flood to create a permanent committee to deal with the captive nations; therefore, we do hereby resolve,
- That the UYL-NA and its members strongly urge the formation of such a permanent committee by the United States Congress.
- Whereas, Russian Communist imperialistic activities are becoming increasingly arrogant and belligerent as indicated by events in Berlin, Africa, Cuba, Latin America and other parts of the world; and
- Whereas, the Russian Communist drive to enslave the entire world is gaining momentum because of clever Russian propaganda, aided by general apathy on the part of the free world; we do hereby resolve,
- That the UYL-NA members throughout the U.S. and Canada intensify their efforts to encourage a firm stand of our people against further Russian

PROFESSOR GRANOVSKY, HEAD OF ODWU, PETITIONS PRESIDENT KENNEDY

NEW YORK. — President John F. Kennedy was asked to resume championship of all the captive and enslaved nations by proclaiming a new "Declaration of Independence" to be applied to all the nations of the world.

The letter was sent to President Kennedy by Prof. Alexander A. Granovsky, president of the Organization for the Rebirth of Ukraine (ODWU), and its parent units—the Ukrainian Golden Cross, the Youth Branches of MUN and the Student Clubs "ZAREVO," all of which held their 23rd national convention on September 2-4, 1961 in Leighton, Pa.

Prof. Granovsky's letter, dated September 5, 1961, read: "We unequivocally support your foreign policy and especially your courageous stand against the imperialistic aggression of the USSR and its leaders in their designs for the insidious conquest of the world.

"As long as the Russian conglomerate colonial empire will be permitted to exist—there will be no peace on this earth. There is only one way for American freedom to survive and that is to proclaim a New Declaration of Independence with national freedom and human rights for all of the world's captive and colonial peoples not only in Africa and Asia, but also in Eastern Europe, the Caucasus, Turkistan and Siberia. This may well be, and rightly, a timely demand start-

"Only then will our economic, cultural and military aid to less fortunate and less developed peoples be truly effective, and only then the world peace with freedom of all peoples may have a chance to prevail. Such a New Declaration of Independence by our Government and people will be most effective in paralyzing the Communist propaganda and Russian imperialist aggression among the people seeking national freedom, cultural and economic development in peace.

"The members of the Organization for the Rebirth of Ukraine (ODWU) with all its associate organizations and many sympathizers within the ranks of other Ukrainian organizations express their profound devotion and loyalty to the United States, as well as their readiness for a courageous defense of American security and freedom of the world, as the very basis of our own future freedom."

DENVER, Colo.—The national flags of 13 captive nations of Soviet Russia were represented in the parade of the American Legion in Denver, Colo., on Monday, September 11, 1961, according to the Denver Catholic Register.

The captive nations that were represented in the parade were Albania, Bulgaria, Byelorussia, Cossackia, Czechoslovakia, Estonia, Georgia, Hungary, Latvia, Lithuania, Poland, Rumania and Ukraine.

The idea for having these captive nations represented in the Legion's parade originated with Bob Ramsey, a member of the editorial staff of The Denver Catholic Register.
