Mark Flag Day in Boston

UNA Supreme Advisor Anna Chopek, who is also New England-Fraternal Congress President, addresses the gathering in Boston during Flag Day observance.

BOSTON, Mass. — Some 1,000 persons gathered on historic Boston Common here for the Flag Day exercises conducted by the New England Fraternal Congress on June 13, during Fraternal Week. Atty. Anna Chopek, Supreme Advisor of the Ukrainian National Association and president of the New England Fraternal Congress, presided at the event.

Three Ukrainian girls, members of the Boston SUMA branch and of the UNA — Olya Banadyga, Anna Hapij and Iryna Czechowycz — sang the national anthem at the commencement of the program. The pledge of allegiance, band music and patriotic speeches were the order of the day.

During the program, a flag was donated to a girl scout troop by the Woodmen of the World Life Ins. Co., and Miss Chopek presented plaques to two policemen who saved the American flag from desecration in Boston on February 11, 1971. Congresswoman Louise Day Hicks gave a stirring speech. The General Assembly of the Bishop Cheverus, 4th Degree Knights of Columbus served as honor guard. Proclamations of the Governors of Massachusetts, New Hampshire and a declaration by the Mayor of the City of Boston were read.

Miss Chopek called on those present to pause and reflect on the meaning of Old Glory on its 194th birthday, and asked them to rededicate themselves to "preserving, promoting and perpetuating a country which has as its goal, liberty and freedom for all."

Participating in the event were: Mrs. Anne Remick, secretary, and her husband Michael, Ilya Stielinski, president, Fred David, assistant secretary, and their wives, Petro Moroz, organizer, and Mr. W. Mihowan, vice-president, all of Branch 238; Wolodymyr Fodoriv, secretary, Walter Hetmansky, treasurer, of Branch 374, and their wives; and Dmytro Melnyk, president of Branch 307.

REDS CALL FOR ANTI-HIPPIE DRIVE

MOSCOW, USSR. — Pyotr Y. Shelest, a Soviet Politburo member and first secretary of the Ukrainian SSR's Communist Party, has called for a public campaign to rid the Soviet Union of what he regards as the latest Western scourge — hippies.

At a Central Committee meeting of the Ukrainian party organization last week, Mr. Shelest said every Communist and every public organization must join in the fight. This was believed the first time that a leading Soviet official has used the word "hippies" in public, it was reported by the New York Times of June 30th.

"Many youths by their unworthy behavior have brought shame on themselves, their comrades, parents and collectives in which they work or study," Mr. Shelest said, according to the latest issue of the Ukrainian party paper to reach Moscow.

"Under the influence of bourgeois propaganda and morals, part of the youth for this or that reason has slipped from under our influence," he complained. "Phenomena not unlike the so-called hippies who scorn work have developed. This is harmful to the socialist world view."

He said that "these shameful phenomena are intolerable in our society." "All Communists and all public opinion must join in the fight against them. The goal of party organizations is to raise decisively the responsibilities of all Communists for the education of our youth," he said.

Mr. Shelest did not say how extensive he thought the hippie influence was. But it has been quite clear that in major Soviet cities the young people are gradually moving toward a hippy look. Part of the reason for this is the desire of Soviet youth not to be out of step with young people in other countries.

Ukrainian Literature Reprinted

JERSEY CITY, N.J. — "Ukrainian Literature," a selected English language survey authored by Prof. Clarence A. Manning in 1944, has been reprinted by Books for Libraries Press of Freeport, N.Y.

Both the original and the reprint, which came out in 1,000 copies, were published through an arrangement with the Ukrainian National Association.

The 126-page book contains condensed literary profiles of such outstanding Ukrainian figures as Hryhoryi Skovoroda, Ivan Kotliarevsky, Lesia Ukrainka, Ivan Franko, Taras Shevchenko, Marko Vovchok, Vasyl Stefanyk, Bohdan Lepky, Michael Kotliubynsky and others.

The book also discusses the specific conditions which gave rise to various literary trends in Ukraine and the political milieu in which the writers lived and worked. The UNA, in cooperation with Prof. Manning, has already worked out an arrangement with the publishers to produce a revised and updated edition of the "Ukrainian Literature." The price of the book is \$7.50 and it can be obtained at the Svoboda book store.

WORLD CONGRESS SCORES REDS FOR RELIGIOUS PERSECUTION

NEW YORK, N.Y. — The Presidium of the Secretariat of the World Congress of Free Ukrainians, in a separate declaration made public here June 18, voiced its protest against Soviet persecution of Ukrainian faithful of all denominations and attempts to interfere in the internal life of Ukrainian organized Churches in the free world.

The statement was published a week after the Secretariat met in Philadelphia in what was a session devoted largely to religious questions. Taking part in the meeting were: Joseph Lesawyer, president, Ignatius M. Billinsky, secretary-general, Prof. Bohdan T. Hnatiuk, treasurer, Matthew Stachiw, member of the Secretariat, and Michael Sosnowsky, executive director.

Repudiate Designs
The secretariat's declaration was prompted by the announced plans of the Russian Orthodox Church's Sobor, held in Zagorsk last May, "to intensify efforts to subordinate the Ukrainian Autocephalous Orthodox Church" to the Moscow patriarchate.

The presidium of the secretariat was asked by Metropolitan Matyslaw of the Ukrainian Autocephalous Orthodox Church to study the resolutions of the Russian Church's Sobor and to respond appropriately.

Metropolitan Matyslaw, who is also acting head of the Ukrainian Orthodox Church in the USA, had issued a statement of his own three weeks ago protesting against what he called "a part of the Russian imperialist design to subordinate the various national Orthodox Churches of the non-Russian nations to Moscow."

The presidium also discussed Archbishop Casaroli's reply to an earlier memorandum concerning the Ukrainian Catholic Church in the Prialshiv area of Czecho-Slovakia. It was found that the Archbishop's letter gave no satisfactory answer to the questions raised. The presidium acknowledged the appointment of pastor (Continued on p. 3)

Ukrainians to Observe Sts. Cyril, Methodius Day

HOUSTON, TEX. — Perhaps the most outstanding and most unifying day for the Ukrainian community in Houston, Texas, is the annual celebration of Saints Cyril and Methodius Feast Day.

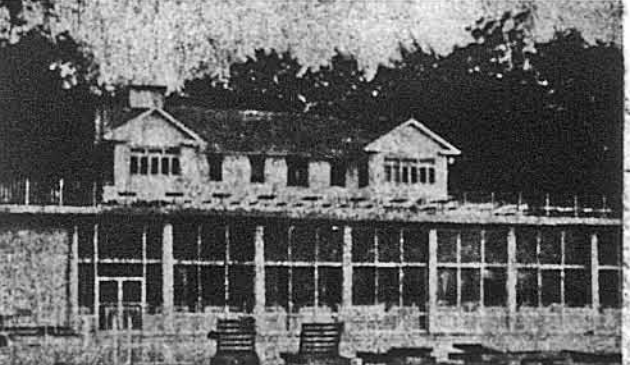

Otherwise known as Heritage Day, the three largest organized ethnic groups represented in Houston and south Texas, the Ukrainians, the Poles and the Czechs, are drawn together for the purpose of showing the western community their various folk backgrounds, and also to show others that they know the meaning of brotherhood.

This year, on July 11th, the Ukrainians will be in the limelight. The Ukrainian community active in this celebration numbers about 25 families. The men, women, young adults and children have been preparing since last November. Costumes are being sewn and enhanced with magnificent Ukrainian embroidery. The children are being taught folk songs by the Rev. Dmytro Blazejowskyj, pastor of Houston's St. Pius X Ukrainian Catholic Church. The church choir music is being rehearsed by director Anthony Hudanich and Sister Ernest, a Roman Catholic nun who heads the music department at Sacred Heart Dominican College in Houston. William Polewchak, former UYUNA president and activist, is directing the youthful Ukrainian folk dancers. This group has been kept fit and stepping with rehearsals which total about six hours per week. Sister Ernest has learned how to play the bandura and will accompany the male dancers with their interpretation of the Arkan.

Bishop to Arrive

The principal celebrant of the Divine Liturgy will be the Most Rev. Isidore Borecky, D.D., Bishop of Toronto, Canada. Bishop Borecky will be accompanied on his journey from Canada by Rev. Matthew Berko. The Most Rev. John Morokovsky, S.T.D., Coadjutor, Apostolic Administrator of the Diocese of Galveston-Houston, will deliver the sermon in English. Bishop Morokovsky is directing the youthful Ukrainian folk dancers. This group has been kept fit and stepping with rehearsals which total about six hours per week. Sister Ernest has learned how to play the bandura and will accompany the male dancers with their interpretation of the Arkan.

SOYUZIVKA OPENS GATES FOR SUMMER SEASON

A most familiar sight to Soyuzivka-goers is the Veselka pavilion. Installation of air conditioning for both the recreation hall and bar is currently underway.

Primed for Summer
Repaired, refurbished, in some places remodeled and thoroughly cleaned, Soyuzivka is primed for the summer's first long weekend. This is not to say that the popular UNA resort has just awakened from the long winter sleep. There has not been a weekend without some sort of activity, and vacationers have already dipped in the resort's Olympic-size swimming pool. And the tennis courts are seldom unoccupied. The Lviv villa, nestled cozily among the pine trees, has been humming with merry chatter of some 50 girl campers who had opened their three-week tour on June 20. But the big days are coming up, and the July 4th weekend is one of the biggest. In terms of entertainment, Miss Roma-Pryma Bohachevsky will present some of her most talented youthful dancers in selected scenes from "Kvit Paporoti" (The Magic Blossom), the colorful fairy tale ballet staged with great success in New York, Philadelphia and Newark. Led by Roman Strotzky, the acrobatic dancer, and Walter Dobuschak, the im-
